40th Annual Scientific Conference

4th & 5th November, 2013
at the Royal College of Surgeons of England

Provisional Programme & Registration Form

www.baso.org.uk
Monday 4 November

Why you should be here today...

Don’t miss Professor Alan Ashworth and Lord Saatchi on The Future of Cancer Medicine and the Medical Innovation Bill, and Professor Michael Baum reflecting on 40 years in cancer surgery, plus presentations from many leading surgeons and academics focusing on the issues involved in the treatment of the older cancer patient. The Association’s 40th Anniversary dinner provides the ideal opportunity to network and catch up with colleagues, meet some of our leading presenters, and to find out who has been awarded the Association’s first ever Ronald Raven Lifetime Achievement Award.

Terms and conditions

Cancellations and substitutions
Cancellations must be received in writing by 25th October 2013 when a refund of the fee, less a 10% administration charge will be made. After this date, no refunds can be made. Substitutions, however, may be made at any time but the conference organisers must be notified in writing at least four days prior to the conference.

Programme and speaker changes
The conference organisers reserve the right to change the conference sessions or speakers in case of illness or other circumstances beyond their control.

Insurance
The conference organisers do not accept responsibility for loss or damage to delegates’ own property and/or personal effects whilst at the conference. The organisers do not accept responsibility for loss or damage to personal effects caused by events beyond their control, including (but without limitation) fire, flood, strikes, civil disturbance, or for consequential loss of damage of any kind whatsoever.

Data Protection
BASO—The Association for Cancer Surgery do not release membership addresses to any organisation, person or external body. However, we do agree to include in our mailings details of future events which are thought to be of interest, organised by other surgical related associations based within The Royal College of Surgeons of England.

The Foundling Museum

The Foundling Museum

The Foundling Hospital was Britain’s first home for abandoned children. It was established in 1739 by Captain Thomas Coram “for the maintenance and education of exposed and deserted young children” and from then until the Hospital closed in 1954 some 27,000 children passed through its doors. In 1740 William Hogarth donated his portrait of Coram to the Hospital, encouraging other artists to follow his example, and thus creating the first public art gallery. George Frideric Handel, another early governor, held annual fund-raising performances there of his Messiah. A room at the Museum is dedicated to Handel memorabilia. The 40th Anniversary BASO Dinner will take place in the Picture Gallery, and guests will be free to wander around this fascinating and poignant exhibition.

The dinner is an excellent opportunity to meet other delegates and our presenters and, of course, to socialize with friends and colleagues old and new. All delegates, including trainees and non-Members of the Association, are welcome to join us.

See page 6 to reserve your place
Tuesday 5 November

Why you should be here today...

Don’t miss these key topics in the treatment of younger cancer patients, including thyroid, pancreatic and breast, and issues from preserving fertility in the young patient to heredity and trial recruitment. Professor Suzanne Klimberg, President of the US Society of Surgical Oncology, will give the BJS Lecture on Reducing Morbidity after Breast Surgery and Neil Borley gives this year’s Ernest Miles Lecture on Early Rectal Cancer. The day ends with prizes awarded for the outstanding abstracts and presentations given during the conference.

Join us!

BASO~The Association for Cancer Surgery is the Association that speaks as an umbrella organisation for all surgical specialties treating people with malignant diseases. BASO was founded by Ronald Raven, Surgical Oncologist, as a forum for surgical research and training for the benefit of patients with cancer. The Association represents surgeons and their centres across the United Kingdom & Ireland and has influence beyond.

Membership includes receipt of the European Journal of Surgical Oncology (EJSO) and affiliate membership of the European Society of Surgical Oncology (ESSO).

There are five categories of membership:

**Full Members:**
Professors, Senior Lecturers, Consultants, Associate Specialists and Staff Grades.

**Associate Members:**
Specialist Registrars, Clinical Assistants and Senior House Officers.

**Affiliate Members:**
Clinical Nurse Specialists, Researchers and Allied Health Professionals.

**Overseas Members:**
Professionals working in surgical oncology outside the UK. Members from the Republic of Ireland can choose to join as Full, Associate or Affiliate members or as an Overseas member.

**Senior Members:**
Professionals who have retired from practice.

You can join BASO~ACS online by visiting our website: www.baso.org.uk.

The completed form, along with your CV, the completed Direct Debit form and a cheque for your first year’s subscription should be sent to the BASO~ACS office (details on the form).

The subscription year runs from 1st July, but new members can join at any stage during the year.
