

2026 SCTS ANNUAL MEETING

UNIVERSITY DAY - SUNDAY 15TH MARCH

	HALL 2A	MR 1A	HALL 2B	MR2	MR 3B	MR 3A	HALL 1D	
09:00-10:30	Cardiac - Aorta 1	Cardiac - Mitral	Management Of Early Stage NSCLC	Building a Culture of Evidence-Based Care	Medical Students 1	Skills Lab	NAHP Wetlab & Drylab Congenital	
10:30-10:50	Coffee/Tea and Networking							
10:50-12:20	Cardiac - Aortic Dissection	Cardiac - Minimally Invasive	Chest Wall Conditions	Crafting Better Researchers: Skills for Scholarly Success	Pat Magee Session	Skills Lab	NAHP Wetlab & Drylab Congenital	
12:20-12:30	Grab lunch bag							
12:30-13:30	TADCT Lunchbox 	Edwards Lifesciences Lunchbox 	Zimmer Biomet Lunchbox 	Creed Healthcare Lunchbox 				
13:30-15:00	Cardiac - MCS + Transplant	Challenges in Tricuspid Valve - BHVS	Surgery on the Thymus Gland	Inside the Chest: Innovations Reshaping Thoracic Surgery	Medical Students 3	Skills Lab	NAHP Wetlab & Drylab Congenital	
15:00-15:30	Coffee/Tea and Networking							
15:30-17:00	Cardiac - Revasc	Cardiac - Arrhythmia Surgery	Challenges in the Management of Locally Advanced NSCLC	Clear the Way: Airway Strategies and the Mdt Approaches After Cardiothoracic Surgery	Medical Students 4	Skills Lab	NAHP Wetlab & Drylab Congenital	
17:00-19:00	Trainee Meeting (17:00 - 18:00)	Welcome Reception						

MONDAY 16TH MARCH

	HALL 2A	MR 1A	MR 1B	HALL 2B	STUDIO	MR 2A/B	MR 3A	MR 3B	HALL 1D	
09:00-10:30	Presidential Plenary - Main Auditorium									Industry Drylab
10:30-11:00	Coffee/Tea and Networking									
11:00-12:30	Cardiac Aorta Outcomes	Mitral Valve Surgery Outcomes	Transplantation and Mechanical Support	Improving Perioperative Outcomes in Thoracic Surgery	Evidence-based Practice in Thoracic Surgery	Elevating Expertise: Mastering Advanced Clinical Skills for Exceptional Patient Care	Moderated Posters - Cardiac	Management of the Right Ventricle Outflow Tract	Industry Drylab	
12:30-13:30	Lunch - Exhibition Hall									
13:30-15:00	Transformation Plenary									Single Ventricle and Tricuspid Valve
15:00-15:30	Coffee/Tea and Networking									
15:30-17:00	Atrial Fibrillation and Science 	Cardiac Revascularisation 1	Aortic Valve Surgery Outcomes and Trends	Surgical Management of Chest Wall Conditions	Screening and Management of Early Lung Cancer	Better care, better outcomes: Innovation and QI in Cardiothoracic Surgery	Moderated Posters - Thoracic	Congenital - Mixed Bag Humanitarian Work and Workforce in Congenital World	Industry Drylab	
19:30-00:00	Gala Dinner									

TUESDAY 17TH MARCH

	HALL 2A	MR 1A/B	MR 3B	HALL 2B	STUDIO	MR 2A/B	MR 3A	HALL 1D
09:00-10:30	Thinking About Tricuspid Valve	Cardiac Beyond Routine	Training	Lung Volume Reduction	SCTS and EDI in Cardiothoracic Surgery: "How we all can do better"	Bridging Protocol and Pathways: QI-driven Pathways in Cardiothoracic Surgery	Moderated Posters - Cardiac	Industry Drylab
10:30-11:00	Coffee/Tea and Networking							
11:00-12:30	Cardiac Aorta 2	Cardiac Revascularisation 2	Cardiac Operative Strategy	Surgical Management of Locally Advanced Lung Cancer, and Other Thoracic Malignancies	Role of Research in Speciality Sustainability	International Session: Digital technology: the good, the bad and the ugly	Moderated Posters - Cardiac	
12:30-13:30	Lunch - Exhibition Hall							
13:30-15:00	Mitral Valve Minimal Access	Aortic Valve and Annulus	Cardiac Research and Thoracic Research	Quality Improvement in Thoracic Surgery	Research PSP and Hackathon	Empowering Excellence: Innovative Approaches to Healthcare Education and Support	Moderated Posters - Thoracic	Industry Drylab
15:00	Close
