

SCTS Sponsorship Packages 2027

The SCTS Annual Meeting is the leading event for the cardiothoracic surgical community, bringing together over 1,500 attendees across three days.

The meeting begins with University Day on Sunday 21 March, featuring educational sessions, industry-sponsored symposia, and the NAHP programme. The main scientific meeting takes place on Monday 22 and Tuesday 23 March, highlighting the latest research, innovations, and expert-led presentations in cardiothoracic surgery.

With a wide range of sponsorship, advertising, and exhibition opportunities, the meeting provides an ideal platform to engage with key decision-makers, showcase your products and services, and build valuable relationships within the specialty.

Industry Session

We are pleased to offer industry partners the opportunity to host an Industry Session during the SCTS Annual Meeting 2027.

Date: Monday 22 March 2027
Time: 15:30–17:00

This dedicated session provides a unique platform for your organisation to engage directly with delegates through a programme that is entirely industry-led. You will have full control over the content and format, including selecting the topic, developing the agenda, and inviting speakers of your choice.

SCTS will provide: A dedicated meeting room, Full audiovisual support, and Promotion of the session to registered delegates.

To maximise attendance and maintain exclusivity, only five Industry Sessions will run in parallel during this timeslot.

The SCTS Annual General Meeting (AGM) will take place at the same time, providing an opportunity to attract delegates who are not attending the AGM and are seeking alternative educational and networking opportunities.

Lunchbox Session

The Lunchbox Session is a popular industry-sponsored opportunity at the SCTS Annual Meeting and consistently attracts high delegate attendance.

Date: Sunday 20 March 2027
Time: 12:30–13:30

Held during the lunch break of the University Education Day, this dedicated 60-minute symposium offers an excellent opportunity to engage with delegates in a focused educational setting. Delegates will collect their lunch bags before attending the session.

The content and format of the session are entirely industry-led, allowing you to develop your own programme, select your speakers, and determine the subject matter most relevant to your audience.

SCTS will provide: A dedicated meeting room, Full audiovisual support, Lunch catering for delegates and Promotion of the session to registered attendees.

To maximise attendance and maintain exclusivity, only five parallel Lunchbox Sessions will take place during this timeslot.

Breakfast/Evening session

This 60-minute, industry-led session offers a valuable opportunity to engage directly with delegates. Sponsors have full control over the content, speakers, and format.

Sessions take place before the scientific programme (**08:00-09:00**) or after the programme closes on Monday (**17:00-18:00**). SCTS will provide the meeting room, audiovisual facilities, and promotion to delegates. Recording of the session can be arranged for an additional fee.

Sponsored Session

This session forms part of the official SCTS Scientific Programme and is organised by SCTS. This is a branding opportunity only.

Sponsors will receive recognition through the inclusion of their company logo alongside the session title in the programme and related promotional materials.

Sponsors are also welcome to enhance their presence by displaying roller banners and providing marketing materials within the session room. This offers an excellent opportunity to increase brand visibility, engage directly with delegates, and align your organisation with a key scientific session at the meeting.

Advert in SCTS Bulletin

The SCTS Bulletin is a biannual printed publication, offering advertisers direct access to the cardiothoracic community across the UK and Ireland. Click here for the Bulletin PDF

Full page back cover £2,500, Full page inside £2,000 and half page £1,000.
