

# SCTS ANNUAL MEETING

## 19TH - 21ST MARCH 2023

Sunday 19 March 2023

	Hall 5	Hall 6	Hall 7	Hall 10A	Hall 10B	Hall 11	
09.00	09.00-10.30 Fixing Hyperinflation in COPD: LVRS and Valves 	09.00-10.30 Visit Cardiac Wetlab in Hall 11	09.00-10.30 Audit in Cardiothoracic Surgery	09.00-10.30 Mitral Valve Frontier 	09.00-10.30 Aortic 1: How to do it? From the Aortic Valve to the Thoraco-abdominal Aorta	09.00-10.00 Cardiac Wetlab featuring Virtual Reality	
09.15							
10.00	Coffee						
10.15	11.00-12.30 Thoracic Innovation 	11.00-12.30 Students: Visit University Sessions	11.00-12.30 Trends in Research	11.00-12.30 Why Training in Transplantation is the right choice for you 	11.00-12.30 Aortic 2: Contemporary Issues in Major Aortic Surgery 	11.00-12.30 Cardiac Wetlab featuring Virtual Reality	
11.00	Lunch						
11.15	13.30-15.00 Education and Simulation 	13.30-15.00 Pat Magee Scientific Presentation	13.30-15.00 AHP Roles within Cardiothoracic ERAS and Evolving AHP roles	13.30-15.00 British Heart Valve Society: Bioprosthesis Degeneration after AVR in the Young Patient - What Next? 	13.30-15.00 Coronary 2: Technical Tips	13.30-15.00 Thoracic Wetlab and Simulation-based Training	
12.00	Coffee						
12.15	15.30-17.00 Lung Cancer	15.30-17.00 Meet the Experts	15.30-17.00 Post Cardiotomy VA ECMO	15.30-17.00 Atrial Fibrillation Surgery 	15.30-17.00 Coronary 1: Improving Quality in Coronary Artery Surgery	15.30-17.00 Thoracic Wetlab and Simulation-based Training	
13.00	The Welcome Reception - Exhibition Hall						
13.15	17.00-19.00 Trainee Meeting						

Monday 20 March 2023

	Hall 1	Hall 5	Hall 6	Hall 7	Hall 9	Hall 10A	Hall 10B	Hall 11	Exhibition Hall	Exec Room 1	Exec Room 2
08.00											
08.15											
08.30											
08.45											
09.00	09.00-10.30 Main Plenary										09.00 Exhibition Open
09.15		Coffee									
09.30											
09.45											
10.00											
10.15											
10.30											
10.45											
11.00											
11.15	11.00-12.30 Lung Cancer: Sublobar Resections	11.00-12.30 Advances in Everyday Practice	11.00-12.30 Peri-Operative Management 1	11.00-12.30 Aortic Aneurysm	11.00-12.30 Cardiothoracic Surgery Without Limits 2023 and Beyond	11.00-12.30 CABG: Real world Outcomes	11.00-12.30 Peri-Operative Pathways	11.00-12.30 Moderated Posters: Thoracic 1	11.00-12.30 Innovation Room (Aquilant HC21)		
11.30											
11.45											
12.00											
12.15											
12.30											
12.45											
13.00											
13.15											
13.30											
13.45	13.30-15.00 Research Plenary: A Trial for Every Patient										13.30-15.00 Research in Congenital Heart Surgery
14.00											
14.15											
14.30											
14.45											
15.00											
15.15											
15.30											
15.45											
16.00	15.30-17.00 Benign Lung Disease / Lung Volume Reduction	15.30-17.00 Challenges in ACHD	15.30-17.00 Advanced Lung Cancer	15.30-17.00 Transplant and Circulatory Support	15.30-17.00 Cardiac Surgery: Perioperative	15.30-17.00 AVR: Outcomes after Surgical Aortic Valve Implantation	15.30-17.00 Excellence in Patient Care	15.30-17.00 Moderated Posters: Cardiac 1	15.30-16.30 Equality, Diversity & Inclusion Committee	15.30-17.00 Cardiac Surgery Research Collaborative	
16.15											
16.30											
16.45											
17.00											
17.15											
17.30											
17.45											
18.00											

Tuesday 21 March 2023

	Hall 5	Hall 7	Hall 9	Hall 10	Hall 11	Exhibition Hall	Exec Room 1	Exec Room 2	Room 6A	Room 6B	
09.00	09.00-10.30 Plenary SCTS Education										
09.15		09.00 Exhibition Open									
09.30											
09.45											
10.00											
10.15											
10.30											
10.45											
11.00											
11.15	11.00-12.30 Other Thoracic Malignancies	11.00-12.00 Lung Cancer Miscellaneous	11.00-12.30 British Heart Valve Society (BHVS) Session 	11.00-12.30 Heart Research UK Lecture 	11.00-12.30 Education and Research in Cardiothoracic Surgery	11.00-12.30 Moderated Posters Thoracic 2	11.00-12.30 Innovation Room (CuWear)	11.00-12.30 Trust Appointed Doctor Meeting			
11.30											
11.45											
12.00											
12.15											
12.30											
12.45											
13.00											
13.15											
13.30	13.30-15.00 Chest Wall Diseases	13.30-15.00 Peri-Operative Management 2	13.30-15.00 CABG	13.30-15.00 Mitral Valve Surgery	13.30-15.00 Mental Health and Wellbeing	13.30-15.00 Moderated Posters Cardiac 2	13.30-15.00 Communications Committee Meeting	13.30-17.00 College of Clinical Perfusion Scientists Council Meeting
