The Lunchbox Session:

The Sunday Lunchbox sessions have the **best attendance** of all the industry sponsored symposia. This is a **1-hour session** and will take place during the **lunch break** of the University education day. Delegates will collect their lunch bags and head into the sessions.

The session will be organised by industry. You arrange your own speakers and subject etc. We provide the room, AV, catering and will promote this session for you. There is capacity for 4 parallel lunchbox sessions on that day.

The industry session:

This is a **1-hour session**. This is organised by industry. You arrange your own speakers and subject etc. This takes place early morning **8:00 am – 9:00 am** or after the main programme between **5.00 pm - 6.00 pm**. We provide the room in the venue and AV. We will also help you promote the session.

The University session:

This session is organised by SCTS on Sunday. We add the sponsor's logo to the session and the programme.
