Rejoining terms:

If you default on your membership subscriptions and are subsequently removed from the main Society database, in order to rejoin you will need to pay the joining fee according to the membership category you require (see above) plus one year subscriptions for that category.

*New membership category created to be charged mid-way between Trainee and Consultant subscription. Includes SAS i.e. specialist doctors/Associate specialists.

**Higher subscription rate for NTN trainee reflects SCTS Education training programme and complimentary registration

Members with UK bank accounts who do not wish to pay by direct debit:

There will be a charge of 10% above the annual renewal amount for administrative costs.
