

BENEFITS OF MEMBERSHIP – SENIOR MEMBERSHIP

Introduction

Many of our members choose to retain a link to the SCTS when they have retired from practise and opt for Senior membership. The benefits are outlined below.

Benefits

1. The SCTS organises an annual meeting with a full scientific and social program. Senior members enjoy a significantly reduced registration fee
2. The SCTS organises an annual University attracting an international faculty and this is offered at a highly reduced fee to all members of the Society
3. Access to the Society's website at www.scts.org offers a useful source of relevant information and enables access to CTSNet.
4. Provides a twice yearly newsletter.
5. Membership offers reduced subscription to the Journal for Thoracic and Cardiovascular Surgery.
