

SCTS Education

Cardiac Surgery Advance Life Support Course

21st November 2018

Abbott Training Centre
Concept House, Central Blvd,
Solihull, Shirley,
B90 8AJ,
United Kingdom

SCTS Education is delighted to offer a one day CALS course on the 21st November 2018. There will be funded places for the SAS Doctors and AHPs.

The course is offered on selection basis and places are limited, hence support of the local supervisor/ head of service/ line manager is necessary.

The Course offers CALS E learning as well as the seminars and simulation delivered by expert CALS faculty.

We hope this course will empower all practitioners to act with confidence to better treat our critically ill patients using well validated protocols, safely managing the patient until expert help arrives.
