

SCTS Education Ionescu Medical Student Fellowships 2019

The Society for Cardiothoracic Surgery in Great Britain & Ireland (SCTS) is pleased to invite applications for the SCTS Education Ionescu Medical Student Fellowships.

Eligible applicants include medical students at University in Great Britain & Ireland

The fellowship is awarded to support a visit to a cardiothoracic surgery centre which may be in GB & Ireland or abroad. It is designed to enhance the experience of an aspiring cardiothoracic surgeon.

It is likely that the successful applicant will have already shown an interest in cardiothoracic surgery, identified a UK consultant mentor and will be seeking an immersive experience during an elective typically at least 4 weeks in duration.

Please send an application with the following details:

- Completed application form.
- Curriculum vitae (maximum 2 pages).
- Letter from the visiting centre & consultant cardiothoracic surgeon confirming acceptance and details of the experience to be gained.
- Letter of support from a current or recent consultant cardiothoracic surgeon mentor.

Successful applicants will be announced at the SCTS Annual Meeting Dinner in London (11th March 2019). They will also be expected to submit a report to be published in the SCTS Bulletin and a short video describing their fellowship to be shown at the 2020 SCTS Annual Meeting.

The fellowships must be started within 12 months of the award.

Please send the completed application, along with accompanying documents, to education@scts.org, with the subject line: "Medical Student Fellowship 2019 Application".

Please ensure all files attached are formatted in PDF and preferably all documents merged into one PDF file.

Closing date for applications is **18th January 2019 at 16:00**.
